

ALIENZ
ENTERTAINMENT

Alienz is a full service events company based in Dubai, that was created to bring a fresh, unique definition to event management.

Dubai is one of the fastest growing cities in the world and it takes an “out of this world” approach to keep up with it.

Here at Alienz, we believe in the power of imagination. If you can think it, we can make it. We don't do things more than once and approach every event with a brand-new perspective. We treat every client distinctly with different needs, that requires different attention.

CREATIVE INVASION

A woman with long, flowing red hair is captured in a dynamic, mid-air pose, falling into a pool of water. She is wearing a black, form-fitting dress. The water splashes around her, creating a sense of movement and drama. The background is dark, making the woman and the white text stand out. The text 'ALIENZ ENTERTAINMENT' is written in a bold, white, sans-serif font across the middle of the image.

ALIENZ ENTERTAINMENT

We broke our way into the event industry through entertainment. Our entertainment team have had their presence in the industry for over 25 years.

We connect our clients with top-tier talents from all over the world. We work with the best in every industry from musicians, actors, dancers, theatre, business icons and cultural influencers. With talent and experience we can produce a show out of this world, out of imagination.
